Professional Summary

Aspiring Software Engineer with a strong interest in backend development and scalable applications. Passionate about software development, problem solving, writing clean code, and building reliable, high-quality software.

Skills

- **Programming Languages:** Java, Python, PHP
- **Backend Technologies:** Spring Boot, Spring MVC, Hibernate, JDBC, JSP, RESTful APIs
- **Frontend Technologies:** HTML5, CSS3, Bootstrap, JavaScript
- **Database:** MySQL, SQL
- **Computer Science Fundamentals:** Object-Oriented Programming (OOP), Data Structures, MVC Architecture, Layered Architecture, SDLC
- **Tools:** Git, GitHub, Maven, Postman
- **Methodologies:** Agile

Internship

Java Full Stack Development Intern

Tap Academy

Oct 2025 – Apr 2026

Bengaluru, Karnataka

- Developed and deployed full-stack web applications using Java, Spring Boot, JSP, and MySQL following MVC architecture.
- Developed backend modules using Spring Boot, debugged application issues, and maintained clean, reusable code.

PHP Web Application Intern

Abeyaantrix Engineering Solutions

Feb 2025 – May 2025

Shivamogga, Karnataka

- Developed backend modules for a hotel management system using PHP and MySQL with secure authentication.
- Implemented form validation, session management, and optimized MySQL queries to improve application performance.

Projects

Online Food Ordering System | Java, Spring Boot, Spring Data JPA, MySQL

Apr 2026

[Live Demo](#)

- Developed an online food ordering application with features for browsing restaurants, viewing menus, managing the cart, and placing orders.
- Implemented CRUD operations, query parameter-based data retrieval, secure password encryption using BCrypt, and deployed the application on Railway Cloud.

Smart Hotel Management System | HTML, CSS, Bootstrap, JS, PHP, MySQL

Feb 2025 – May 2025

[Live Demo](#)

- Developed a hotel management system enabling customers to view room details, book rooms, and manage reservations.
- Built an admin panel to manage rooms, bookings, customers, and staff information using PHP and MySQL.

Certifications

Java Full Stack Web Development

Tap Academy, Bengaluru

PHP Web Development with MySQL

Abeyaantrix Engineering Solutions, Shivamogga

Education

Sahyadri Science College

Bachelor of Computer Applications (BCA) – 79.93%

2022 – 2025

Shivamogga, Karnataka
